The students are instilled with a strong cross functional perspective which forms the essence of an ideal B-School

## Preparation

The Faculty are instrumental in bringing the placement focus into each curriculum topic of the domain course by highlighting its relevance and applicability in the world of business.

Following are some of the capability builders in addition to syllabus being taught to focus on students acing the campus drives.

3. Industry professionals' assessment through mock interviews
4. Joint Certification Programs with Industry for Sector and company specific development
5. Corporate relevant Certification courses
6. Special coaching for Aptitude Test Formats, approach to psychometric testing, grooming for Corporate etiquette and dressing
